National 4-H week is October 2 to 8. Clubs are encouraged to connect with local libraries, banks, grocery stores, gas stations, emergency rooms, your front yard, etc. to share the awesome message of 4-H in Clark County!

You can set up a display inside or outside an establishment. Draw artwork on a window, make announcements in schools, have your older youth give presentations to some of the younger school grades in 4-H.

The club securing the most new 4-H members during National 4-H week (designated by new enrollments entered in 4honline) will receive a 4-H club pizza party (Clark Pizza’s) with ice cream sundaes for dessert. Party will be catered by Agent Hollar. Please submit digital images of your efforts directly to Agent Hollar.

Reviewed Fall 2016/2017 Junior Leader Calendar

**Next Meeting:** Fall meeting times – Keeping last Sunday of month with a 7:30 p.m. start time  
October 30, 2016 OR move to an hour before Leaders Federation meetings
Present were: Wayne Artac, Adam Luchterhand, Cindy & Zach Kolzow, Rich Meyer, Sara & Matthew Fischer, Marty & Amy Gerhardt, Bob Wilke, Stacy Sandelier, Dennis Roehl, Melissa Brecke, Scott Pralle and Chris Hollar

The meeting was called to order by Rich Meyer, Chairman, at 7:35 p.m. on Monday September 12, 2016. A copy of the spring minutes was provided for everyone to read. Dennis Roehl moved to approve the minutes as printed. Melissa Brecke seconded the motion. Minutes were approved as printed.

AREA ANIMAL SCIENCE DAYS: Clark County took 14 kids, two junior teams and one senior team to the contest which was held in Outagamie County. Adam Luchterhand and Jeremiah Hagen chaperoned the kids. They had a lot of fun and the teams did well. The best judges were the junior teams. They placed 3rd out of 15 and 9th out of 15 teams. Overall the junior teams were in the top 15 out of some 60 teams that were there. Dawson Gerhardt went to state as he placed 5th at the contest. The kids who participated this year are very excited to participate next year. There have been many different farmers who have approached Adam volunteering to have the kids come to their farm to practice judging animals. Adam also thanked Chris for lining up a bus for them to take these kids to the contest. He said it worked out very well and was very appreciative.

STATE FAIR: Clark County took a smaller group down this year, but the kids worked extremely hard. They won herdsmanship for small herd. They had a really good time and were able to leave the fairgrounds this year by 1:00 p.m., so were back in Neillsville at an early time. Scott and Pam Selz-Pralle chaperoned the kids to state. They said everything worked out really well. The kids did a great job. The group was given $2,000 from the Leaders Federation and each person who went was also able to apply for another $50 from the Leaders Federation if they filled out an application and gave a report. This really helped out with the cost of going to State Fair. The kids and chaperones talked about possibly coming up with some different decorations for next year. If they decide to do this they will do it early so things are ready to go for the fair next year in August.

COUNTY FAIR: The check-in process went really good. A couple of cows came on Wednesday and they had to milk their animals in a bucket and dump the milk as the milking system does not get turned on until Thursday. The people were aware of this; they just brought their animals for convenience for them. One change that was suggested to put in the fair book for next year is that the heifer classes will show until the lunch break. There was some confusion this year as to when certain classes were showing. Showmanship went well. We do have the judges secured already for next year’s fair. We did have one complaint about all of the clipping chutes that were placed on the south side of the dairy barn. There were also saw horses there on the south side of the barn that conflicted with the placement of the chutes. Next year those will not be there and things will look a little more organized. There was a question brought up as to why we need pictures of our animals with our fair forms when we turn the forms in. Pictures were required as part of the check-in process to make things easier. The ID forms will be looked at to see if we can simplify the form before next year.

IMPROVEMENTS NEEDED AT FAIRGROUNDS: The dairy committee talked about different things that they would like to see improved in the dairy barn. There are different people who will be working for the county next year and they would like suggestions as to what we want done. The main area of concern this committee came up with is having more power in the dairy barn so everyone is able to run their own fans on their animals. We would also like the sound system looked into again. A new system was put in a couple of years ago, but you still cannot hear things if you are on the east end of the dairy barn. It was also brought up that the floor in the barn should be redone and if they are doing that maybe they could then put in removable stalls. By redoing the floors, etc. this would make things more handicap accessible for visitors to the fair. These are just some suggestions the committee had. Adam is going to talk to the new representative from the county and mention these to him.

ELECTIONS: Rich Meyer was nominated for the Chairperson position and Tanya Wilke was nominated for the Secretary position. Unanimous votes for both.

Our next meeting will be Monday March 13th at 7:30 p.m. at ADS in Greenwood.

Cindy Kolzow moved to adjourn. Amy Gerhardt seconded and the meeting was adjourned at 8:55 p.m.

Submitted by Tanya Wilke
**Beaver Center/Jolly Workers / September / Bryana Meyers**
- The pledge of allegiance was led by Reagan Jackson and the 4-H pledge was led by Nick Wilke.
- Orders for community calendars need to be in ASAP.
- We’ll be handing out pencils at the school for National 4-H week.
- We got a new member: Ben Beels.
- Our new officers are: President—Tiffany Radue, Vice President—Baily Bravner, 2nd Vice President—Bryana Meyers, Secretary—Mason Malm, Treasurer—Devani Hinkleman, Sunshine—Colten, Reese, Reagen, Lizzy, Landen, Ryson.
- Our next meeting is October 9th.

**Greenwood Satellites / September / Jasmine Wolf**
- Met library park to decorate it for fall and 4-H Week; monthly meeting followed at high school.
- Record books from past year were to be handed in by September 15th; some from our club were sent to the county to be judged.
- Order forms for Butter Braids fundraiser were handed out to club members and are due back at October meeting or to Heather or Jessica by October 31st.
- Discussed which games everyone would like for our annual Halloween party in October and where everyone would like to go for a club trip next year.

Capitol Connections 2017 - Save the Date

Draw a big red circle around April 20, 2017, because Capitol Connections 2017 is going to be the best yet! More information will be posted on Youth Lines as it becomes available. A committee is meeting monthly to plan the event. Email Holly.Henschen@uwex.edu with questions.

Hello Agent Hollar Here,

I am moving into year three of working with all of you and think in the county we are in a good place and moving in the proper direction of increasing the rigor in the Clark County 4-H project. My challenge is I serve two masters, one being the county, the other being the state. Some of you have heard me talk about my POW (Plan of Work) this is a requirement by the state to make sure I am participating in scholarly work and sharing that scholarly work with all of you.

As we move forward I will begin to introduce new concepts as I (we) continue to work with the Junior Leaders, visiting clubs, and the general 4-H program that makes Clark County 4-H what it is. I will be basing this off the work conducted by the University of Illinois Extension called “Leadership Competencies” which compliments the work of Lerner and the Positive Youth Development movement (like the 6C’s of Competence, Confidence, Character, Connection, Caring, and Community Contributions). The Leadership competencies will look at six skill areas: planning, promoting, teaching, mentoring, advocating, and advising. I am still working out in my head how to make this fun and engaging, while building their own capacity as they develop into young adults. In addition you will see me begin to “push” evaluations on you (please complete those). This helps in replicating the work that I am doing and allows other educators to copy and adjust as needed.

I wanted to remind you that the bylaws shared with you at our January meeting need to be infused with your current operating bylaws. When you look at the last page of the document there needs to be three signatures: the club president, the club secretary, the date the membership approved the bylaws and my signature. The language that is in the template of the bylaws needs to remain in your bylaws, because of federal and state mandates. I will be reading through all of your bylaws to affirm you have all those statements infused along with your clubs unique requirements and that you are meeting the state requirements of being a chartered 4-H club. As always stay safe out in the woods and make sure some of the roads you travel are dirt roads.
